Rooted in the community to grow and flourish

Dear Families,

## Wool Pre-School Update

I am please to now be able to share further information about the new Pre-School provision opening at the school from September 2025. The aim of this letter is to introduce you to some of the key staff members and also to outline the booking process so you can secure a space.

### Staffing

Mrs Griffiths is the Headteacher and is also the Designated Safeguarding Lead.

Miss Hardy is the SENDCo (Special Educational Needs Co-Ordinator) and Inclusion Lead. She is also the Deputy Safeguarding Lead.

Miss Snooks is the Early Years Leader overseeing the Pre-School provision and working very closely with the staffing team.

Miss Swales is the Pre-School Leader and will be running the provision day to day.

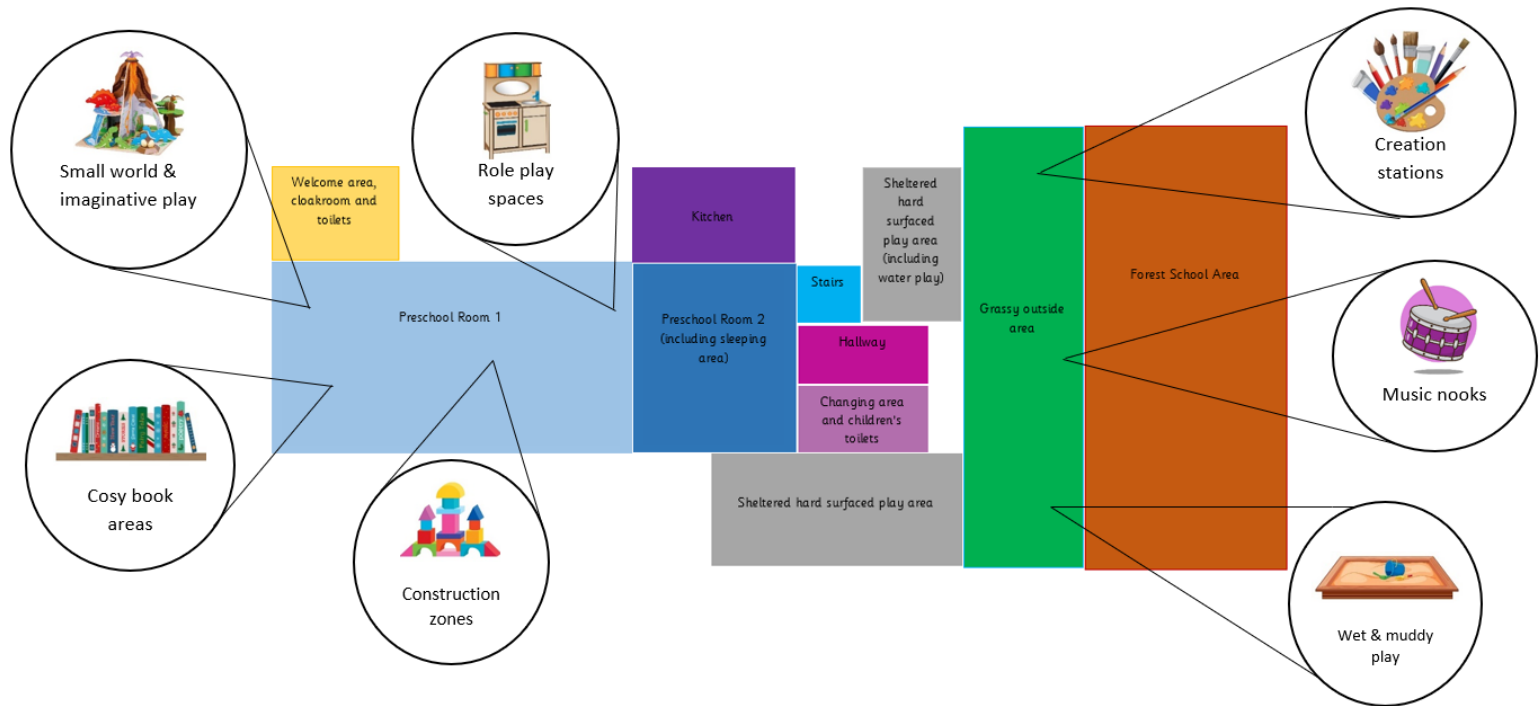

Miss Swales will be joined by a fantastic team of pre-school staff including Mrs Barrett and Miss Read. In addition, Mrs Robinson and Mrs Woolley will always be available to help with any enquiries via the school office. Together we are looking forward to welcoming your family into our little community and we are committed to doing all we can to help your child grow and flourish.

## Facilities

We are unable to provide photos of our pre-school at present because there is still a lot of building work planned over the next few months. Nevertheless, we are really excited about all that is planned for our new provision and can't wait to share it with you! The inside space will nurture children's interests and engage natural curiosity. There will be many opportunities for children to explore ideas through play using a range of different resources and stimulus. The outside provision will include sheltered areas and it also backs onto our dedicated Forest School which can also be used for outdoor learning. In addition, there is a quiet and calm sleeping area if children would like to access it, and the pre-school also uses shared facilities such as our school field, hall and playground.

## Charges
