

Worship Committee Planning Meeting: 17.10.24

	Notes	Actions
1. Evaluation of CW during Autumn 1	<p>I like learning about what's going on in the world through Picture News and thinking about how it relates to me.</p> <p>Celebrations Assembly is good because it helps keep everyone motivated and shows how we appreciate people when they show our school values</p> <p>Rev Richard's talks are really interesting and I remember him eating cornflakes during the Harvest Service</p> <p>OTB sessions are really good because we don't just listen to a story because the people act it out for us to see it.</p>	
2. Planning for CW during Autumn 2	<p>We discussed the Church calendar for next half term and agreed the following themes to spread over the upcoming weeks:</p> <p>Remembrance (linking to Remembrance Day)</p> <p>School Value: Love</p> <p>Jesus Light of the World</p> <p>Advent</p> <p>The Nativity Story</p> <p>Giving</p>	Mrs G to work with Rev Richard to plan CW sessions linked to these themes
3. Thought for the Week	<p>Mrs G explained what the diocese 'Thought for the Week' is and how our school are emailed one every Monday and we then send it out to our parents/carers community so that the message spreads.</p> <p>Mrs G shared that the Diocese have asked for new contributions and have invited people/groups to write their own Thought for the Week which will be shared. The Committee decided they would like to produce one of these and, after discussion, we compiled a Thought for the Week on the theme of 'Giving'.</p>	Mrs G to send to Salisbury Diocese
