

Kinetic Kate from Fun Science Dorset will be returning to the school to run a science themed after school club for an hour a week each **WEDNESDAY**. The programme will last for 6 weeks and will be filled with action packed, hands on science.

The cost for the 6 week programme is £42 and most weeks children will either make or be given something to take home with them so that the investigation can continue at home.

The first session will be from 3.05pm-4.15pm on the 15<sup>th</sup> April and will then continue at the same time each week on the Wednesday. The programme will be located in a room on site at the school.

If you would like your child/children to attend the science after school club, please follow the link below to complete the booking form and make an online payment to secure your child's place.

The club will be for Year 1-Year 6 children

**Please book and pay for your child's place BEFORE WEDNESDAY 25<sup>th</sup> MARCH**

Places are limited and will be awarded on a first come, first served basis. Minimum number 8 pupils. Maximum 20. If you have not transferred the payment for the club within 3 days of booking then your place will be cancelled and offered to someone else.
