

Worship Committee Planning Meeting: 23.1.24

	Notes	Actions
1. Evaluation of CW during Autumn 2	We discussed some of the evaluative comments Mrs Griffiths has gathered from pupils about last half term and the committee added some of their own.	
2. Feedback from Collective Worship pupil survey	<p>Mrs Griffiths shared a summary from the recent surveys which children have been completing in school. The survey was about collective worship.</p> <p>97% of pupils say CW is an important part of the school day. 96% of pupils say they think it is good that we have links with others in our community (e.g. Rev Richard, Open the Book, inviting parents/carers in for some services) 88% of pupils say that the CW sessions have a positive impact on them.</p> <p>There were lots of things pupils could describe that always happen in CW no matter where it is being held (e.g. candles, singing, praying, gathering together)</p> <p>Things people like most about CW: Singing, hearing Bible stories, watching video clips, "feeling like we are all one", Picture News, having time to reflect.</p> <p>Suggestions for how to improve CW:</p> <ul style="list-style-type: none"> - To have more movement when we sing - More singing and music 	
3. Music	<p>Thinking about the suggestions for how to improve music, last week Mrs Griffiths sent home an optional task for all families inviting them to make some suggestions for pieces of music (any genre) which could be used during CW. For example, the music might be played as children are getting ready for CW or as they are leaving/reflecting.</p> <p>The CW Committee discussed whether we should just choose songs we like but then decided they wanted to select songs which they felt 'matched' our school vision and values. Our play list would then feel like it 'fits' our school.</p> <p>During the meeting today, the group looked through some of the suggestions which have been handed in by families, and also talked about their own ideas. We listened to examples of music and looked at some of their lyrics to help us choose which ones we wanted as suggestions for CW listening.</p>	<p>Mrs Griffiths to put all the chosen songs onto a list for staff and also for the website.</p> <p>Mrs Griffiths to put together a playlist which can then be used for CW sessions.</p>
