

Autumn Weekly Bulletin 01

Friday 5th September 2025

Rooted in the community to grow and flourish

The Parable of the Mustard Seed, Matthew 13: 31-32

Dear Families,

It has been wonderful chatting to so many of you over the last couple of days whether at the start/end of the day, over the phone or via email. Similarly, it has been an absolute joy to welcome all our pupils back for a new academic year! I want to extend an extra warm greeting to all our new families; whether your child is in our new reception cohort or if they have joined another year group. It was also fantastic to open our doors to our new pre-school families this afternoon to show off the new space ahead of the grand opening on Monday 8th September. Lots of building work and refurbishment has happened over the summer holidays and finishing touches will be completed imminently. We hope that everyone will be beginning to feel settled and that new members will very soon feel immersed and very much part of our school community!

We have now officially become Wool CE Primary School and Pre-School. You will see from the pictures that our extended provision includes a wonderful and enriching pre-school, complete with sleeping areas, outdoors spaces, creative zones and much, much more! You will also have noticed we now have an additional buzzer by the main school gate so parents/carers are able to select whether they are dropping off/collecting a child from pre-school or whether they would like the attention of the main school office

Next week we will be hosting some Welcome sessions for parents/carers for each class. We hope these meetings give you the opportunity to hear about what your child will be learning over the course of the year, but also a bit more about the timetable, classroom routines and how you can help at home. Please see the Diary Dates section of this newsletter. If you can't attend, the PowerPoint used will be sent home too.

Every week we will send out a brief bulletin like this one on a Friday. The aim of this communication is for me to be able to share some topical information which I hope will be useful, and we will also celebrate some awards, outline the current attendance figures and provide reminders for upcoming event dates. Nevertheless, throughout each week we will of course send out additional and separate information when needed so please do ensure you keep your contact details updated through Arbor.

Those of you who are familiar with Wool CE Primary will already know that positive relationships between school staff and families, along with effective communication, are an integral part of our school ethos. We will therefore always aim to ensure that staff members for each class are on the doors each morning and afternoon. Please know that we are here if you want to ask any quick questions or need to raise a concern. Similarly, Mrs Woolley and Mrs Robinson are on hand in the school office if you ever want to discuss anything in person or over the phone. In addition, Miss Hardy and I can always be contacted no matter which site we are working on that day. All parents/carers can email any queries on wool.office@coastalpartnership.co.uk and we will try to respond as soon as possible. Your email will be forwarded to the most appropriate staff member, and we can always arrange phone conversations or additional meetings if needed.

Finally, I want to wish you a relaxing weekend. This first weekend at the start of term can sometimes be a challenging one as children are adjusting back to school routines (possibly for the first time) and they may feel tired, confused, very excited or an array of other emotions! We will be looking forward to welcoming the children back on Monday and supporting them through their first full week of the term and please do just keep talking to us if there is anything we can do to help you further.

Have a wonderful weekend,

Mrs E Griffiths
